

Client Selection Criteria (nested)

Sub-Segment	Client Level Considerations
All Clients	• Extensive track record in their relevant sector. • Experienced and diversified management team with clear separation of roles and responsibilities. • Strong asset base with proven access to capital markets.
Tier One Producers	• We engage selectively with sub-USD1bn-market-cap names under a capital-light advisory mandate. • Private companies must have a strong financial sponsor (e.g. Orion, EMR, Denham). • Asset base sufficiently de-risked through diversification of geographies or development stage. • Technical specialists must validate any underlying asset that underpins a debt facility.
Tier Two Producers	• Substantial trading scale and strong record of financial performance vs. peers.
